# A FEW THINGS OF INTEREST

DRY GOODS.

The trade of September, 1887, was so satisfactory and the increase over the same month of any former year of our business was so great that we made mention of it at the time. The September last past shows an equally gratifying condition of affairs, and so far as lies in our power nothing has been left undone to produce a like result in October.

Has materially contributed to this success. In it we have put a most
